1. Introduction

This Privacy Policy describes how the Center for Hearing and Communication collects and uses Personal Data about you through the use of our Website, mobile applications, and through email, text, and other electronic communications between you and Company.

Center for Hearing and Communication ("CHC," or "we," "our," or "us") respects your privacy, and we are committed to protecting it through our compliance with this policy.

This Privacy Policy (our "Privacy Policy") describes the types of information we may collect from you or that you may provide when you visit or use our websites located at www.chchearing.org, https://noiseawareness.org/, and any subdomain thereof (our "Website") and our practices for collecting, using, maintaining, protecting, and disclosing that information. For purposes of this Privacy Policy, our Website, and all related services and functionality that we provide through them are referred to as our "Digital Services."

This policy applies to information we collect:

- on our Digital Services;
- in email, and other electronic messages between you and our Digital Services;
- when you interact with our advertising and applications on third party websites and services, if those applications or advertising include links to this policy.

It does not apply to information collected by:

- us offline or through any other means, including on any other website operated by CHC that is not Website or any third party;
- any third party, including through any application or content (including advertising) that may link to or be accessible from or on the Digital Services.

Please read this policy carefully to understand our policies and practices regarding your information and how we will treat it. If you do not agree with our policies and practices, your choice is not to use our Digital Services. By accessing or using our Digital Services, you agree to this Privacy Policy. This Privacy Policy may change from time to time (see Changes to Our Privacy Policy). Your continued use of our Digital Services after we make changes is deemed to be acceptance of those changes, so please check this Privacy Policy periodically for updates.
2. Children Under the Age of 16

Our Digital Services are not intended for children under the age of 18 and children under the age of 18 are not permitted to use our Digital Services. We will remove any information about a child under the age of 18 if we become aware of it.

Our Digital Services are not intended for children under 18 years of age. No one under age 18 may provide any information to or through the Digital Services. We do not knowingly collect Personal Data from children under 18. If you are under 18, do not use or provide any information on or in our Digital Services or on or through any of their features, including your name, address, telephone number, email address, or any screen name or user name you may use. If we learn we have collected or received Personal Data from a child under 18 without verification of parental consent, we will delete that information. If you believe we might have any information from a child under 18, please contact us at jcochary@chchearing.org or call us at 917-305-7842.

3. Information We Collect About You and How We Collect It

We collect different types of information about you, including information that may directly identify you, information that is about you but individually does not personally identify you, and information that we combine with our other users. This includes information that we collect directly from you or through automated collection technologies.

Generally

We collect several types of information from and about users of our Digital Services, specifically information:

- by which you may be personally identified, such as name, e-mail address, address, credit or debit card number (for donation and bill payment purposes only) (“Personal Data”);

- that is about you but individually does not identify you, such as traffic data, logs, referring/exit pages, date and time of your visit to or use of our Digital Services, error information, clickstream data, and other communication data and the resources that you access and use on or through our Digital Services; or

- about your Internet connection, the equipment you use to access or use our Digital Services and usage details.

We collect this information:

- directly from you when you provide it to us;

- automatically as you navigate through or use our Digital Services. Information collected automatically may include estimated or precise geo-location, usage details, IP addresses, and information collected through cookies and other tracking technologies; and

- From third parties, for example, our business partners.
Information You Provide to Us

The information we collect on or through our Digital Services is:

- Personal Data such as the data identified above;
- Information that you provide by filling in forms on our Digital Services. This includes information provided at the time of registering to use our Digital Services, using our services or other services available through the Digital Services, or requesting further services. We may also ask you for information when you report a problem with our Digital Services;
- Records and copies of your correspondence (including email addresses), if you contact us; and
- Details of transactions you carry out through our Digital Services. You will be required to provide financial information before making a donation through our Digital Services.

You also may provide information to be published or displayed (hereinafter, “posted”) on public areas of the Digital Services or transmitted to other users of the Digital Services or third parties (collectively, “User Contributions”). Your User Contributions are posted on and transmitted to others at your own risk. Although we limit access to certain pages, please be aware that no security measures are perfect or impenetrable. Additionally, we cannot control the actions of other users of the Digital Services with whom you may choose to share your User Contributions. Therefore, we cannot and do not guarantee that your User Contributions will not be viewed by unauthorized persons.

Information We Collect Through Automatic Data Collection Technologies

As you navigate through and interact with our Digital Services, we may use automatic data collection technologies to collect certain information about your equipment, browsing actions, and patterns, specifically:

- details of your visits to our Digital Services, such as traffic data, location, logs, referring/exit pages, date and time of your visit to or use of our Digital Services, error information, clickstream data, and other communication data and the resources that you access and use on or in the Digital Services; and
- information about your computer, mobile device, and Internet connection, specifically your IP address, operating system, and browser type.

The information we collect automatically may include Personal Data or we may maintain it or associate it with Personal Data we collect in other ways or receive from third parties. It helps us to improve our Digital Services and to deliver a better and more personalized service by enabling us to:

- estimate our audience size and usage patterns;
• store information about your preferences, allowing us to customize our Digital Services according to your individual interests;

• recognize you when you return to our Digital Services.

The technologies we use for this automatic data collection may include:

• **Cookies (or browser cookies).** Our service providers may use cookies, web beacons, and other technologies to receive and store certain types of information whenever you interact with our Digital Services through your computer or mobile device. A cookie is a small file or piece of data sent from a website and stored on the hard drive of your computer or mobile device. On your computer, you may refuse to accept browser cookies by activating the appropriate setting on your browser, and you may have similar capabilities on your mobile device in the preferences for your operating system or browser. However, if you select this setting you may be unable to access or use certain parts of our Digital Services. Unless you have adjusted your browser or operating system setting so that it will refuse cookies, our system will issue cookies when you direct your browser to our Website.

• **Google Analytics.** We use Google Analytics, a web analytics service provided by Google, Inc. ("Google") to collect certain information relating to your use of our Website. Google Analytics uses “cookies,” which are text files placed on your computer, to help our Website analyze how users use the site. You can find out more about how Google uses data when you visit our Website by visiting “How Google uses data when you use our partners' sites or apps,” (located at [www.google.com/policies/privacy/partners/](http://www.google.com/policies/privacy/partners/)). We may also use Google Analytics Advertising Features or other advertising networks to provide you with interest-based advertising based on your online activity. For more information regarding Google Analytics please visit Google's website, and pages that describe Google Analytics, such as [www.google.com/analytics/learn/privacy.html](http://www.google.com/analytics/learn/privacy.html).

4. **How We Use Your Information**

We use your Personal Data for various purposes described below, including to:

- provide our Digital Services to you;
- provide products and services to you;
- provide you with information you request from us;
- enforce our rights arising from contracts;
- notify you about changes; and
- provide you with notices about your account.

We use information that we collect about you or that you provide to us, including any Personal Data:

- to provide our Website and its functionality, contents and services to;
- to provide our services to you;

4
• to provide you with information, products, or services that you request from us or that may be of interest to you;
• to process, fulfill, support, and administer transactions and services ordered by you;
• to contact you in response to a request;
• to fulfill any other purpose for which you provide it;
• to notify you about changes to our Digital Services or any products or services we offer or provide through them;
• in any other way we may describe when you provide the information; and
• for any other purpose with your consent.

We may also use your information to contact you about developments in hearing health care, technology, services, and events that may be of interest to you, including through newsletters. If you wish to opt-out of receiving such communications, you may do so at any time by clicking unsubscribe at the bottom of these communications. For more information, see Choices About How We Use and Disclose Your Information.

5. Disclosure of Your Information

We do not share, sell, or otherwise disclose your Personal Data for purposes other than those outlined in this Privacy Policy. We disclose your Personal Data to a few third parties, including:

• our affiliates and third party service providers that we use to support our business;
• to a company we merge, acquire, or that buys us, or in the event of change in structure of our company of any form;
• to comply with our legal obligations;
• to affiliates and third parties for their own commercial purposes;
• to enforce our rights; and
• with your consent.

We do not share, sell, or otherwise disclose your Personal Data for purposes other than those outlined in this Privacy Policy. However, we may disclose aggregated information about our users, and information that does not identify any individual, without restriction.

We may disclose Personal Data that we collect or you provide as described in our Privacy Policy:

• to affiliates, contractors, service providers, and other third parties we use to support our business. The services provided by these organizations include providing IT and infrastructure support services;
• to a buyer or other successor in the event of a merger, divestiture, restructuring, reorganization, dissolution, or other sale or transfer of some or all of our assets, whether as a going concern or as part of bankruptcy, liquidation, or similar proceeding, in which
Personal Data held by CHC about our Digital Services users are among the assets transferred;

- to fulfill the purpose for which you provide it;
- for any other purpose disclosed by us when you provide the information;
- with your consent.

We may also disclose your Personal Data:

- to comply with any court order, law, or legal process, including to respond to any government or regulatory request;
- if we believe disclosure is necessary or appropriate to protect the rights, property, or safety of CHC, our customers, or others. This includes exchanging information with other companies and organizations for the purposes of fraud protection.

6. **Choices About How We Use and Disclose Your Information**

We offer you choices on how you can opt out of our use of tracking technology, disclosure of your Personal Data for our advertising to you, and other targeted advertising.

We do not control the collection and use of your information collected by third parties described above in Disclosure of Your Information. These third parties may aggregate the information they collect with information from their other customers for their own purposes.

In addition, we strive to provide you with choices regarding the Personal Data you provide to us. We have created mechanisms to provide you with control over your Personal Data:

- **Tracking Technologies and Advertising.** You can set your browser or operating to refuse all or some cookies, or to alert you when cookies are being sent. If you disable or refuse cookies, please note that some parts of our Digital Services may then be inaccessible or not function properly.

- **Disclosure of Your Information to Third Parties.** By using our Digital Services to make a donation to CHC, you consent to our sharing of your Personal Data with third parties to the extent necessary for processing of the donation payment.

7. **Your Rights Regarding Your Information and Accessing and Correcting Your Information**

You may contact us to access or change your Personal Data. You may also be able to review and change your personal information by logging into the Digital Service and visiting your Account Preferences page.

You can Contact Us at jcochary@chchearing.org to access and/or find out what information we have about you, and to correct that information. You may also notify us through the Contact Information below of any changes or errors in any Personal Data we have about you to ensure that it is complete, accurate, and as current as possible. We may also not be able to accommodate
your request if we believe it would violate any law or legal requirement or cause the information to be incorrect.

8. **Do Not Track Signals**

   We currently do not use automated data collection technologies to track you across websites. We currently do not honor do-not-track signals that may be sent by some browsers.

Some web browsers permit you to broadcast a signal to websites and online services indicating a preference that they “do not track” your online activities. At this time, we do not honor such signals, but we currently do not use automated data collection technologies to collect information about your online activities over time and across third party websites or other online services (behavioral advertising).

9. **Data Security**

   Information transmitted over the Internet is not completely secure, but we do our best to protect your Personal Data. You can help protect your Personal Data and other information by keeping your password to our Digital Services confidential.

We have implemented measures designed to secure your Personal Data from accidental loss and from unauthorized access, use, alteration, and disclosure. We use encryption technology for information sent and received by us.

Unfortunately, the transmission of information via the Internet is not completely secure. Although we do our best to protect your Personal Data, we cannot guarantee the security of your Personal Data transmitted to, on or through our Digital Services. Any transmission of Personal Data is at your own risk. We are not responsible for circumvention of any privacy settings or security measures contained on the Website, in your operating system.

10. **California Privacy Rights for California Residents**

   Under some circumstances, California law may provide you with the right to obtain a list of third parties (if any) that we provide your Personal Data to for their own direct marketing purposes.

**CALIFORNIA PRIVACY RIGHTS**

These California Privacy Rights supplement the other information contained in our Privacy Policy and applies solely to all visitors, users, and others who reside in the State of California ("consumers" or "you"). This notice is to comply with the California Consumer Privacy Act of 2018 ("CCPA") and any terms defined in the CCPA have the same meaning when used in this notice. We may update these California Privacy Rights as necessary and in the event of changes in the CCPA. These terms apply only to California residents.
Categories of Personal Information Company Collects – California Residents

As described in more detail in other areas of our Privacy Policy, we collect and/or disclose personal information about you when you visit use our Digital Services, including information about you that you provide to us, and information that we automatically collect from you or your computer or device as you use our Digital Services (collectively, “Personal Information”). Please refer to Information We Collect About You and How We Collect It for additional information and details.

Personal information does not include information that is: (a) publicly available information from government records; (b) de-identified or aggregated consumer information; or (c) certain information excluded from the scope of CCPA (e.g., PHI covered under HIPAA and medical information covered under the California Medical Information Act).

Categories of Sources from which Company has collected Personal Information

We collect Personal Information directly from you, for example when you provide it to us, when you contact us through our Digital Services; and indirectly from you automatically through your computer or device as you use our Digital Services. We may also collect Personal Information about you from our service providers.

Use of Personal Information Collected from California Residents

We do not sell your Personal Information and have not done so in the prior 12 months from the effective date of this Policy. We may use or disclose the personal information we collect for our business purposes described elsewhere in this Privacy Policy (for example, please refer to “How We Use Your Information” and “Disclosure of Your Information”).

Sharing Personal Information - California Residents

CHC may disclose your Personal Information to a third party for one or more business purposes. When we disclose Personal Information for a business purpose, such as to service providers, we enter a contract that describes the purpose and requires the recipient to both keep that Personal Information confidential and not use it for any purpose except performing the contract.

Disclosures of Personal Information for Business Purposes:

We may disclose your Personal Information for our business purposes, such as your contact information, other information you have provided to us and unique identifiers that identify you to us or to our service providers, such as companies that assist us with our services. Please refer to Information We Collect About You and How We Collect It for additional information and details.

We disclose your Personal Information to certain third parties such as our health care provider partners, service providers, including companies that assist us with our services. For additional information please refer to How We Use Your Information and Disclosure of Your Information.

Access Request Rights
California residence have the right to request that CHC disclose certain information to you about our collection and use of your Personal Information over the past 12 months for the above business and commercial purposes. To submit an access request, see Exercising Access and Deletion Rights. Once we receive and confirm your verifiable consumer request, we will disclose to you:

- The categories of Personal Information we collected about you.
- The categories of sources for the Personal Information we collected about you.
- Our business or commercial purpose for collecting that Personal Information.
- The categories of third parties with whom we share that Personal Information.
- The specific pieces of Personal Information we collected about you.

**Deletion Request Rights**

California residents have the right to request that CHC delete your Personal Information that we collected from you and retained, subject to certain exceptions. Once we receive and confirm your verifiable consumer request, we will delete (and direct our service providers to delete) your Personal Information from our records, unless certain exceptions apply.

**Exercising Access and Deletion Rights**

To exercise the access and deletion rights described above, please submit a verifiable consumer request to us by either:

- Calling us at 917-305-7842.
- Emailing us at jcochary@chchearing.org.

Only you, or a person registered with the California Secretary of State that you authorize to act on your behalf, may make a verifiable consumer request related to your Personal Information. You may also make a verifiable consumer request on behalf of your minor child. You may only make a verifiable consumer request for access twice within a 12-month period. The verifiable consumer request must:

- Provide sufficient information that allows us to reasonably verify you are the person about whom we collected Personal Information or an authorized representative.
- Describe your request with sufficient detail that allows us to properly understand, evaluate, and respond to it.

**Non-Discrimination**

We will not discriminate against you for exercising any of your CCPA rights. Unless permitted by the CCPA, we will not:

- Deny you services.
• Provide you a different level or quality of services.

**Other California Privacy Rights**

California Civil Code Section 1798.83 (California’s “Shine the Light” law) permits users of our Digital Services that are California residents and who provide Personal Information in obtaining products and services for personal, family, or household use to request certain information regarding our disclosure of Personal Information to third parties for their own direct marketing purposes. If applicable, this information would include the categories of Personal Information and the names and addresses of those businesses with which we shared your Personal Information with for the immediately prior calendar year (e.g. requests made in 2020 will receive information regarding such activities in 2019). You may request this information once per calendar year. To make such a request, please contact us by email at jcochary@chchearing.org.
